## Keeping in touch

Hello NQTs!

It has been really great to see so many of you over the last couple of weeks as we've been in visiting and observing you in your schools. What a difference a summer makes: you look so refreshed! Thank you for being so welcoming...we will be popping in on you all so you may be seeing one of us very soon.

We know it won't have all been plain sailing and that there are challenges that come with an increased timetable and new classes to get to know, so please remember, should you need it, there is a lot of support available to you that you can access, including an informal observation service and we are always at the end of an email or phone.

Please come along to the TSE NQT

**social—Wednesday 7th November** at The Sovereign's Pub in Woking. We'll all be there and we would love to see you. Let us know if you can make it: [http://sjbfrog.co.uk/scitt\\_social](http://sjbfrog.co.uk/scitt_social)

## Success stories

We have 74 trainees who have started their training with us this year. A reminder, if you are able, to say 'hello' and introduce yourself to them in your school

Please continue to recommend your friends and family to us. They can find more information on our website but interviews will commence in November and there is a Taster day on October 3rd. Contact [c.brown@sjb.surrey.sch.uk](mailto:c.brown@sjb.surrey.sch.uk) for further info.
